

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts so as to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills together with their comprehension of cleaning applications, together with owners' strong desire to considerably reduce expense through productivity gains.

When needed, the workers within TREK and its several dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment ready and functioning day after day is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cleaning expense. The product, the price and the service all work together in order to make them the leader in the trade.
