

Fork Mounted Sweepers

Fork Mounted Sweepers - This particular accessory truly makes industrial sweeping work much easier to do. The handy forklift mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow effortlessly. This particular attachment is usually used to clean garbage from construction sites, docks, parking lots, warehouses and virtually wherever it is needed. The forklift sweeper is a low maintenance attachment that utilizes quick-tite blade products to easily mount to the lift truck.
