

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Ingersoll Rand offers products, solutions and services in order to ensure efficiency and increase the productivity in residential, industrial and commercial environments. They pride themselves in delivering products so as to enhance the safety, comfort, security and health of people around the world throughout their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers products and solutions so as to enhance energy efficiency, productivity and operations for their customers. The range of products in their line consist of: tools and pumps, and material fluid handling systems to complete compressed air systems. They have likewise developed Club Car, the international leader in golf and utility vehicles meant for people and companies.

Recognized brand names like for example Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all over North America. Some of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies provides products that ensure safe, productive and secure surroundings. This division's market leading products consist of door and floor closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel locks, doors and frames, decorative hardware and locksets. Recognized brand names such as Schlage also provide time, attendance and personal scheduling systems.
