

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the business as strong and durable machines which meets all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide equipment, parts and warranty service for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where results and efficiency matter. Recently, this floor scrubber model has been requested by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
